Announcements

A listing of competitive examination announcements which cover jobs throughout the United States unless otherwise noted.

Information about other Federal jobs not included in this listing or for which examining has been decentralized is available at local Federal Job Information Centers (FJIC's). Employment opportunities vary by occupation and geographic area. For full information on opportunities, salaries, application procedures, and **open periods for receipt of applications**, contact an FJIC. FJIC's are listed in major metropolitan telephone directories under "U.S. Government." Federal employment opportunities also are posted in State Job Service (State Employment Security) offices.

In most occupations there are few GS-14 and GS-15 level jobs. When vacancies occur at these levels they are published in Senior Level Recruiting Bulletins or agency vacancy announcements.

All qualified applicants receive consideration for Federal jobs without regard to race, creed, color, political affiliation, sex, or national origin.
